The quilts were made by the Magna Carta Quilters, a small group of dedicated quilters and textile artists living near or having an association with the Runnymede area in England. Your sponsorship will help cover the cost of making and exhibiting the quilts. Your donation will be reflected on the Thames Mosaic side of the quilts, where your information will be embroidered on one of the 4" x 5" blocks the eight panels on the reverse side of the quilts , showing a pixilated outline of the River Thames between Windsor and Staines-upon-Thames, which is where the meadow of Runnymede, the site of the sealing of the Magna Carta in 1215, is located. The **Magna Carta Quilt Association** is a not-for-profit group, so any additional funds raised above actual costs of making and displaying the quilts will be donated to a leading Human Rights charity.
